BREAST CANCER AWARENESS MONTH

UNICAF PARTNERS WITH TELECEL AND THE CANCER ASSOCIATION OF ZIMBABWE FOR BREAST CANCER AWARENESS

In honour of Breast Cancer Awareness Month, Unicaf, in collaboration with Telecel and the Cancer Association of Zimbabwe (CAZ), is proud to launch a comprehensive Breast Cancer Awareness Campaign. This initiative aims to encourage the public to prioritise their health by getting regular breast cancer screenings, which are crucial for early detection and treatment.

Breast cancer remains one of the most prevalent cancers worldwide, affecting millions of women each year. Early detection is the key to improving outcomes and saving lives. However, many people do not prioritise regular screenings, which significantly increases the risks associated with late-stage detection. According to the Zimbabwe National Cancer Registry (2019) the total number of new cancer cases recorded was 7173 comprising 41.1% males and 58.9% females. Breast cancer is the second most common cancer among Zimbabwean black women constituting 13.0%.

As part of this awareness campaign, Unicaf, in partnership with Telecel and the Cancer Association of Zimbabwe, is offering free breast cancer screenings to the public from the 21st to the 31st of October. The screenings will take place at the Cancer Association of Zimbabwe, located at 60 Livingstone Avenue, Harare, between 8:00 a.m. - 1:00 p.m. Monday to Friday.

UNICAF AND NEDBANK ZIMBABWE EMPOWER YOUNG WOMAN WITH LIFE-CHANGING DONATION

In a heartfelt gesture of Corporate Social Responsibility, Unicaf, in collaboration with Nedbank Zimbabwe, extended vital support to 18-year-old Nyasha Machepe, a resident of Eastview in Goromonzi. Nyasha, who is non-verbal and has limited mobility due to a condition affecting both her legs, received a much-needed wheelchair and groceries to assist with her daily life.

For years, Nyasha has faced significant challenges due to her deteriorating, damaged wheelchair, which made accessing key services, including her visits to St John's Emerald Hill for sign language support, extremely difficult. The new wheelchair will dramatically improve her mobility and help her overcome obstacles that have significantly impacted her quality of life.

Unicaf, through this initiative, reinforces its commitment to addressing key issues affecting the communities where it operates. The organisation continues to seek new collaborations and partnerships to expand its impact and create opportunities for those in need. This initiative serves as a testament to Unicaf's vibrant approach toward community enhancement, while further solidifying its position as a responsible and socially-conscious brand.

As we wrap up this edition of Unicaf in 5 Minutes, we are incredibly proud of the milestones we've shared with you. Each story is a testament to the power of education and community, and we look forward to continuing this journey together. Stay tuned for next month's special edition, where we'll be celebrating our 1-year anniversary! Thank you for being a part of the Unicaf family and here's to many more moments of success and impact.

Until then, stay inspired and keep striving for success!
